EDUCATION

Hampton University B.S of Science in Cyber Security	Hampton, VA	Expected Graduation: May 2027
--	-------------	--------------------------------------

CERTIFICATIONS:

W!SE Financial Literacy Certification
Microsoft Word 2019 Certification

SKILLS

Computer Skills: Java, Swift, Python, HTML, JavaScript, CSS, jGRASP, GitHub, Xcode, Visual Studio Code, Microsoft Word, Linux

PROJECTS

Portfolio Website [CSS HTML JavaScript]	Fall 2025
Designed and developed a first-place winning portfolio site with custom animations and transitions using JavaScript, HTML, and CSS, including a loading screen and background music for enhanced user experience	
HUCart [Swift Xcode]	Spring 2025
Developed an iOS app that helps students buy items online with a user-friendly interface. Implemented features like user login, store selection, cart management, and order history with efficient state-sharing across views	
Press Turn Project [Java Visual Studio Code]	Fall 2023
Implemented JOptionPane, JFrame, and JWindow to make a small program that follows the rules of a popular turn-based game	

ACTIVITIES

Hampton University AI Club	Fall 2025 – Present
Received hands-on experience focusing on ethical applications of AI, and additionally, participated in workshops that trained on how to incorporate AI into projects	
Hampton University Cyber Security Club	Spring 2024 – Present
Created a portfolio webpage and participated in Cyber Skyline's National Cyber League in both team and individual games, utilizing cyber fundamentals	
Hampton x Leidos Capture the Flags 1 & 2	Fall 2024
Invitee to an advanced event partnered by Leidos that tests how many cybersecurity tasks can be completed within an allotted time	
National Society of Black Engineers (NSBE Chapter II)	Fall 2023 – Present
Attended professional meetings and events, which enriched soft skills and computer skills	
Hampton University Association of Computer Machinery (ACM)	Fall 2023 – Present
Worked on developmental projects that tested Java skills on harder tasks	

AWARDS, HONORS, AND SCHOLARSHIPS

Lockheed Martin Scholarship	Summer 2023
